RIPE Meeting Principles

- Open to everyone
- Bringing people together from different:
 - Backgrounds, cultures, nationalities, beliefs and genders
- The RIPE community is a **safe**, **supportive** and **respectful** environment

RIPE Meeting Code of Conduct

For over a quarter of a century, the RIPE community's strength comes from its breadth of experience, diversity of views, and an open, respectful exchange of ideas – values that we want all of our RIPE Meeting attendees to uphold.

Please treat each other with tolerance and respect. Free speech and an open exchange of ideas are encouraged and celebrated.

Demeaning, intimidating or harming anyone at the meeting is wrong. We are especially sensitive to behaviour that offends based on gender, sexual orientation, religion, race or ethnic origin, or other perceived social, cultural, or personal differences.

Code of Conduct 2.0

- The RIPE Diversity TF has been working on a more detailed CoC
- It has incorporated the comments/feedback received over the past few months on the Diversity TF mailing list
- More details on the principals of the CoC and the process for CoC violations
- Will be presented in the Community Plenary

RIPE Meeting Trusted Contacts
