

Update

Chris Woodfield, ARIN Advisory Council

Mission Statement

“ARIN, a nonprofit member-based organization, supports the operation of the Internet through the management of Internet number resources throughout its service region; coordinates the development of policies by the community for the management of Internet Protocol number resources; and advances the Internet through informational outreach.”

ARIN Serves...

The United States
Canada
25+ Caribbean &
North Atlantic
economies

Served Organizations: 38,442
(22,677 Under Contract, 6,187 Members, 15,765 Legacy)

Community Engagement

- ARIN on the Road/ARIN in the Caribbean
- Customer lunches
- Participation in national and regional Internet coordination & governance fora
- Outreach and training for government, law enforcement, etc.
- Support a very active community consultation and suggestion process
- ARIN Bits (our quarterly e-news update)

Our Focus

- Uphold the multi-stakeholder model for management of Internet number resources
- Educate the community about ongoing IPv6 adoption and emerging technologies
- Maintain, develop, and enhance functionality of ARIN services as sought by the users and supported by the membership
- Coordinate globally to maintain a consistent and highly usable Internet Numbers Registry system

Caribbean Engagement

- Major focus on Caribbean Internet development
- Facilitating participation with ARIN across a range of areas (Policy Development Discussions, Outreach, Capacity Building)
- Continuing Collaboration with:
 - Caribbean Telecommunications Union (CTU)
 - CaribNOG
 - Caribbean Internet Governance Forum
 - CANTO

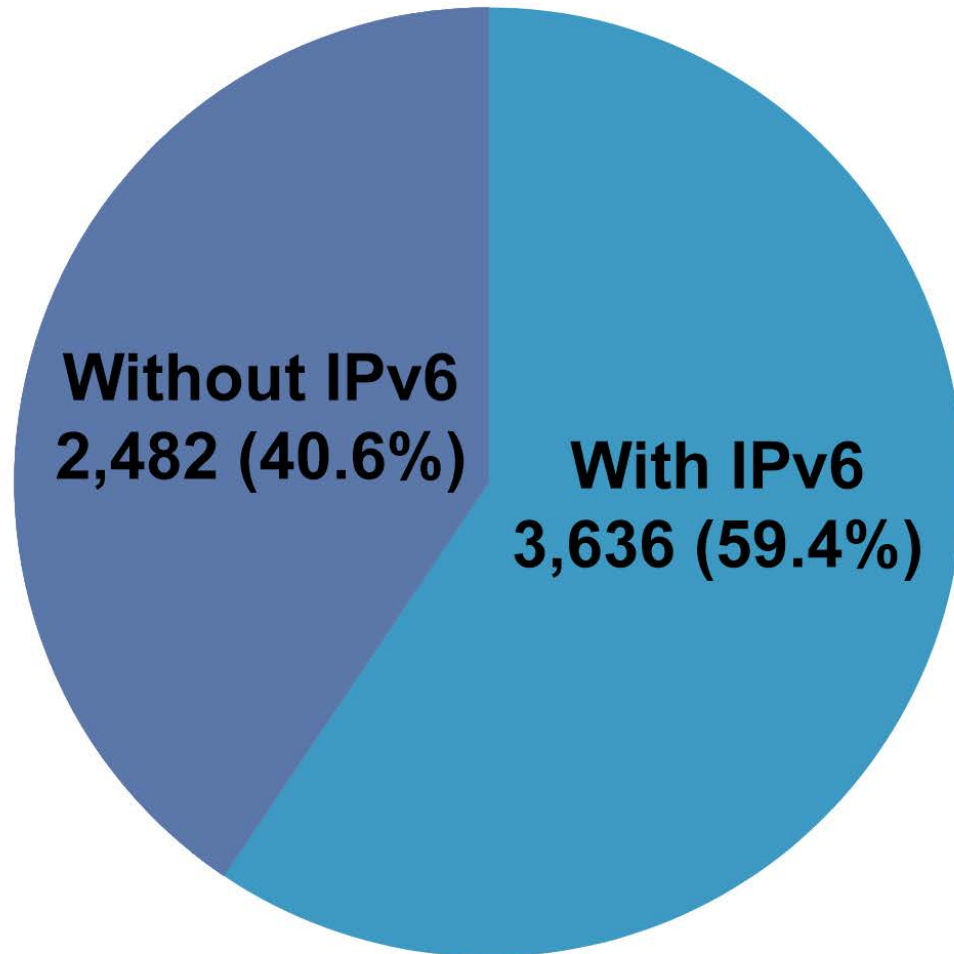

Inter-RIR Transfers

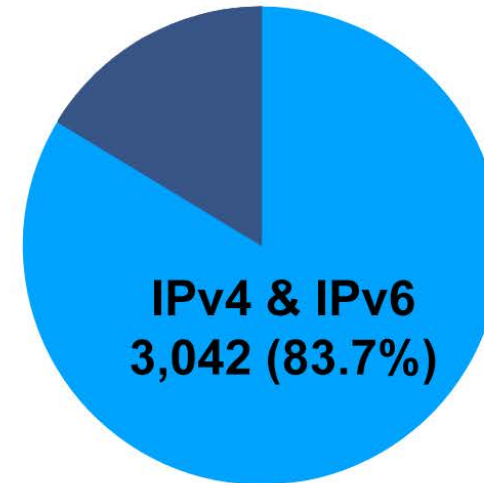

Member IPv6 Holdings

IPv6 Only
594 (16.3%)
